

PLUS+LIGHT™

PlusLight™ is available as a slim white 30W wall / desk mounted product or a 60W stainless steel model, suitable for ceiling suspension. Both products incorporate a unique swing open front that moves the tubes away from the large glue area glueboard, allowing quick and simple glueboard replacement.

FEATURES

Robust build quality and all metal construction

Unique swing open front guard and tube assembly for quick and simple servicing

Large glue area with horizontal section for insect debris collection

Wall or ceiling mounting options

Independently tested and certified to RoHS and all relevant European standards
