

Satalite™

Developed as a contemporary and discreet solution for insect control, Satalite™ is ideal for use in restaurants, bars, cafes and other front of house applications. Satalite™ is proven to be more effective than standard decorative flykillers and incorporates patented technology which ensures all of the glueboard is fully utilised. The glueboard is positioned equidistantly from the tube ensuring there are no areas of glue too far from the tube to be effective. Available as an 18 or 30W unit, Satalite™ can be mounted either vertically or horizontally.

PRODUCT CODE

ZL020

DESCRIPTION

Satalite 18, 18 watt

DIMENSIONS (MM) H x W x D

300 x 317 x 135

COVERAGE (M²)

30

TUBES

1 x TP18

GLUEBOARDS

1 x INL147

WEIGHT (KG)

2.0

ROOM COVERAGE

30 m²

APPLICATION

Front
of House
